

Genius Hour Plan Sheet

For my Genius Hour project I will be working with: _____

Our project name will be: _____

We are going to:

- Learn About (like history or a place, or about water issues)
- Learn To Do (like computer skills)
- Learn to Make (like a trebuchet, or windmill)
- Learn to Create (like an art project or a story)
- Learn to Test (like a science experiment)
- Learn to Change (like an environmental project)
- Other?

For my Genius Hour project I will: _____

This project is a good project because: _____

My final product will be _____

I will be expected to write posts regularly about my progress on our blog! I would love feedback.

Evaluation:

We will work as a class, and then with Carolyn to co-create criteria for evaluating our projects.

Here are five things we will need to do to prepare our project:

What we need to do (check those that apply)	Where we will do it: (at home/school)	Who will do it:	When we need to do it:	Completed
Plan project				
Submit proposal				
Gather materials				
Work on project				
Share and evaluate progress				
Complete project				
Other
